

FOR FLOWER QUEEN

Miss Mahaney Has the Lead With 505 Votes.

PARTIAL LIST OF AIDES

Who Will Assist Grand Marshal in Parade.

The contest for queen of the flower parade showed some spirited voting yesterday. Miss Mahaney received 505 votes and heads the list yet with over a hundred votes more than Miss Joseph, who is second with 395 votes. There was a strong increase in Miss Reed's vote yesterday which put her up to third with 301. Miss Florence Kelley drops to fourth place with 266 votes. The indications are now that Miss Mahaney will be hard to catch, although it is understood that all four of the leading candidates have a big reserve ballot yet. There have been more than 1500 votes cast. The official vote follows:

Miss Mayme Mahaney.....	505
Miss Sadie Joseph.....	395
Miss Florence Reed.....	301
Miss Florence Kelley.....	266
Miss Edith Remer.....	24
Miss Lucy Thomas.....	22
Miss Persius Russell.....	19
Miss Olive Clayton.....	17
Miss Charles Brooks.....	1
Miss Fred Bentley.....	1
Miss L. S. Carter.....	1
Miss Lillian Lewis and Mrs. Cooley withdrew.	

O. A. Boyle announces the following partial list of aides to the grand marshal of the flower parade. There are yet a good many young men to see, as he expects to have about fifty. Peabody and El Dorado will also have young men whose names have not been received, to act as aides. They have fine saddle horses and will make a splendid appearance. Each aide must wear a white duck suit and white cane with bristles and saddle covered with white and the horse to be decorated with flowers:

Walter Parrott, George Westgate, George Gehring, Mr. Christman, Howard Moffatt, A. E. Neal, Will C. Atchison, Fred Heller, Albert Holte, Given Hagney, Hal McCoy, H. G. Landis, C. G. Lilly, Roy Allen, C. W. Yost, Walter Vincent, E. M. Williams, Frank Holmberg, A. R. Reeves, J. C. Souder, Charles Higginson, John Parkinson, Earl Blake, J. W. Muselman, Earl W. Evans, Harry McClung, Guy Stevens, Clyde Maxwell, Sill Brown.

PROSPECTIVE FLOWER QUEEN

Complimented—Dodd Will Finish Six White Horses to Pull Carriage

Mr. Fred W. Dodd has proffered to the civic parade committee the use of the three teams of white horses to pull the carriage which will carry the prospective queen, whoever she may be. The arrangements for this feature of the celebration are very elaborate, and the carriage will be resplendent with flowers and decorations. The matter of hauling the carriage could not possibly be settled better, as these six big, powerful and stylish animals can not be equalled in Wichita. They were selected with great care and are handsome beasts, large, well groomed and of fine appearance. This offer, only one of many which Mr. Dodd has made, was very welcome by the committee and was accepted at once. The big booth of this firm will also be one of the best, work on which will commence Monday morning.

EPISCOPALIANS IN MANILA

Bishop Millsaps Mentions Year's Improvements.

In an interesting address before the Episcopal convention in Wichita last week, Bishop Millsaps mentioned some things of general interest. One of his clergy, Rev. C. C. Pierce, brigades chaplain of the United States army in the Philippines became the rector of the Holy Trinity mission in the Philippines, with four other clergymen at assistants. He is reported as doing much good not only among the English and American residents, but among the Filipinos. Four Episcopal churches have been built in the diocese of Kansas during the past year, making sixteen built during his four years' bishopric, while many have been repaired or cleared of their debt. His girls' school, the college of the Sisters of St. Mary, at Topeka, now forty years old, has paid the debt of \$20,000 and has at present the largest number of pupils for some years. Rev. R. H. Mize has become rector of St. John's military school at Salina. An addition costing \$12,000 has been made to that splendid charity, Christ's Church hospital, Topeka, the money having been left as a legacy by a former patient.

FORMER MANUFACTURER HERE

Mr. George P. Dold of Buffalo Calls Upon Business Friends

Mr. George P. Dold, for ten years manager of the local plant of the Jacob Dold Packing company, has for the past two days been in the city on business matters and visiting among his many friends. At the time of the illustration fire in Kansas City of that branch of the Dold corporation, Mr. A. W. Dold, treasurer, and J. C. Dold, vice-president, left at once for Kansas City. Later, Mr. George P. Dold, second vice-president, came and has been in Kansas City ever since. Mr. Dold gives a good account of the fire, the big most packing concern of which he is an officer, and expresses complete satisfaction with the conditions which he found in Wichita. The local house during the past year has broken every record, and the past few months especially have been one of the most successful in its history. Mr. Dold also states that the Buffalo house and all branch institutions are working up to their utmost capacity. He left yesterday after a warm welcome from all the employees in the house who have known and appreciated his kindness for the past ten years.

PRINTING OF BALLOTS

Howard and Wilson, as Usual, Could Agree on Who Should Do It.

After Commissioners Howard and Wilson had, by the aid of their managers, Amundson and Dale, been brought together for the purpose of reorganizing the commissioners' districts for purely political purposes, they were turned loose again and now are just as far apart as they ever were in their opinions relative to county matters. The question of who should have the job of printing the ballots for the election came up at the regular meeting of the board yesterday, and Mr. Howard pulled his usual way for the Commissioner. Mr. Wilson voted for the

Many people are but shadows of their former selves; due to neglect of health. Look out for the blood, the fountain of life, the actual substance; keep that pure by regular use of Hood's Sarsaparilla and robust health will be the result. Dyspepsia, weakness, and other worries will be things of the past and life will be worth living.

Beacon and Mr. Snalock voted with Mr. Wilson, thus giving the job to the Beacon. The infamous gerrymander is about the only thing they ever agreed upon. The commissioners decided to continue the time for opening the bids for the building of an addition to the county poor-house until October 7, and new bids are solicited for the work.

STAMP COLLECTORS

Will Hold First Convention October 19 in Wichita.

Among the many attractions of Carnival week, there is none more prominent than the convention of the Kansas Philatelic society, which is to be held in this city on the evening of October 19 in the rooms of Mrs. A. S. Carter, in the Sedgwick block.

From every part of the state collectors will come to attend this first convention. There are many prominent persons who are interested in this science and the following ticket is to be elected on that evening: President, Joseph B. Henderson, Columbus; vice president, O. H. Philney, Kansas City; secretary-treasurer, Foster A. Lilly, Sabathia; exchange superintendent, F. R. Hayworth, Wichita; Aud. Mr. Charles S. Rathbun, Arkansas City; Count. Det. A. D. Grant, Kansas City; attorney, George Alexander, Wichita; librarian, Charles W. Myers, Wichita; trustees, Messrs. F. J. Ford, F. N. Delamater, G. R. Baker, Wichita.

The convention takes up at 7:30 p. m. and will be under management of Mr. F. R. Hayworth, president of the society in this city. After election of officers the evening will be spent in exchanging and other features known only to the collector of postage stamps, after which an excellent banquet will take place. The Wichita Stamp Collectors' club desires the presence of every outside collector and all who will attend are requested to notify the president, F. R. Hayworth, as early as possible.

WITH SHAFT

RUNAWAY HORSE STRIKES

Nannie Young in the Back of the Head Yesterday.

Nannie Young, a 10 year old girl living on Tremont avenue south of the Carey hotel, was run over and probably fatally hurt last night by a runaway horse from Butler's barn, across from the Carey hotel. The little girl was playing at the intersection of William and Tremont streets when the horse broke away with a road wagon and turned toward them. They all got out of the way but Nannie. She ran for home, but the horse in dodging around struck her in the back of the head with the end of the shaft. Dr. Fordyce was called and dressed the wound. The little girl was conscious for a time but in an hour she seemed excited and asked what people were coming in for. Then she called the members of the family up and kissed them. She was taken to the hospital and became unconscious, but was still living at a late hour last night.

HIGH SCHOOL FOOTBALL

Team Organized and are at Hard Work Practicing.

After the second week of practice on the gridiron it can be safely ventured that the Wichita High school will have one of the strongest foot ball teams in the city and that will be quite a fact in the games that will be contested this fall. The team is being coached by Professor Young, last year's coach, and Professor Wareham, the new member of the faculty. Both are good players and their influence will be manifest.

Rogers, Charles, Johnston, Gerties and Hyde of last year's team are players who have helped to win honor and fame for the blue and white, and nothing but their best playing can be looked for.

Mr. and Mrs. W. O. Love spent several pleasant evenings last week with their old schoolmates, Mr. and Mrs. Dickerson, at the Carey. Mr. Dickerson drives the famous Joe Patchen.

Nerve Centers

Rebuilt by

Grape-Nuts

The Famous Food.

A FOOD FACT.

The food Grape-Nuts positively does furnish the necessary elements to rebuild the brain and nerve centers. Analysis will show it; food makers know it is true, and the every-day user of Grape-Nuts can take his oath that while he may not be an expert food maker, or an analytical chemist, he "knows enough to know" when his body is well nourished, and the seat of his reason active, forcible and in perfect poise.

Grape-Nuts are as truly the main stay of the brain and the nervous system as a good stomach is the main stay of a healthy body. Let the "little lamp of reason shine forth" when you make selections of food. All first class grocers sell Grape-Nuts, and the Postum Cereal Co., Ltd., make them at their Battle Creek factories.

FIGHT FOR BOOKS

Trouble Brewing Over Property in Library Hall.

ZOPHER TUTTLE'S HEIRS

Claim the Library--Subscribers Call a Meeting.

The free library established by Zopher Tuttle on North Main street stands now to bring on a lot of trouble between the Tuttle heirs and the original subscribers to the library. The library management was notified yesterday by Mr. Throckmorton and Mr. Dorsey, representing the Tuttle heirs, that the rent paid on the hall would not be paid further and that the books bought by Mr. Tuttle would be taken away, or at least some of them would.

In June, 1888, Mr. Tuttle bought most of the books, in accordance with an agreement written by C. C. Millard, an authority of Mr. Tuttle, providing about as follows: Mr. Tuttle proposed to establish a free library of \$1,000 worth of books when 100 men should subscribe to pay 50 cents per year or cents per six months for maintaining it. Among the signers to this agreement were R. A. Sankey, ex-representative; Silas Rutledge, J. Pratsman, E. Rife, Dr. R. Matthews, W. S. Spaulding, L. W. Camp, Mrs. C. E. Martin, J. V. Wood, C. R. Miller, C. R. Campbell, C. B. Quincy and others. The Tuttle heirs claim that nothing was said in the will about the library and that as less than the stated number of subscribers actually paid up the library properly belongs to the estate. A meeting of the subscribers has been called to decide upon some plan of procedure. They have consulted lawyers as to the validity of the agreement, circulated by Mr. Millard upon authority of Mr. Tuttle and will try to hold the books. The library includes works on almost all branches of history, science, spiritualism, etc., and is very valuable. It is said that a few months prior to his death he intended to build a hall for the library.

SANFORD'S BAND CONCERT

Music and Vaudeville Entertainment

October 4th.

Sanford's Commercial band will appear at the Crawford Grand on Wednesday, October 4, with an array of local talent for concert and vaudeville. The band will render some fine selections. They have been well trained for the occasion under the direction of W. W. Sanford, who in a short space of time perfected the band so well that it is a credit to Wichita. At Fort Scott the boys won a big prize. The band has this summer at evenings and on Sunday afternoons given many free open air concerts to enliven the hours of the many who through the day have to attend to their work. This city can now boast of having a band which is willing at any time to compete for any prizes offered in band contests anywhere and the concert deserves support.

BARNEY SHERIDAN, DEMOCRAT

Was Here for the Week of the Races and etc.

Mr. Barney Sheridan of Paola, the fighter for true and unadulterated, un-mixed Democracy, was in the city this week. To read the hard hits coming from his editorial pen one would think he was a monster seeking whom he may devour; but a personal contact with him will find that it is as gentle and as modest as a budding young girl.

What "Wholesale Tailors" Means

The term "wholesale tailors" is the trade-mark of the only firm in the United States who tailor on their own premises, in their own shops, the garments which they sell to the leading retailers of the United States. They use fabrics and trimmings of the highest class only, and the finished product is practically the same as that turned out by high-priced merchant tailors. They employ skilled tailors who receive the highest wages. Buying the materials and making up the clothes on such a large scale insures a saving that enables us to sell Stein-Block clothes at one-half the merchant tailor's price. Our Perfection Clothing for Boys is equally as fine and stylishly tailored. In fact, "Fulton" hoodies only reliable, high-class Clothing, very latest styles and most correct fashions--the best clothing for Men and Boys made in the world, awaits your choosing here. Our prices are the lowest (quality considered) in the United States. High quality and low prices gives us the business, which is the most conclusive evidence of our supremacy. Don't buy your Fall Suit or Top Coat until you visit Wichita's Greatest Clothing Store.

Typewriter Users.

We beg to announce that we have secured the Wichita dealership for the Smith-Premier Typewriter, and will, at all times, be in a position to carefully look after the needs of the users of this popular machine.

We also wish to announce that Mr. H. C. Rose, who represents the Kansas City branch of the Smith-Premier Typewriter Co., in Southern Kansas, Oklahoma and Indian Territory, will make his headquarters at our store.

The Smith-Premier Typewriter was never more popular than it is today, as evidenced by the fact that its sales record is unequalled by any other machine. In fact, all we ask of the typewriter-using public is an opportunity to demonstrate its superiority.

We will show this machine at our opening on Thursday--day and evening. Read our ad to Huntsmen on Page 6, and our ad to Business Men on Page 9, and don't forget that this is
